Hi, Loren. Sorry it has taken me a while to get back with you. Rick Albright has confirmed that the list of documents in his March decision is the complete list of documents he relied upon.

Would like to have coffee sometime to catch up.

Hey Lori - -

We haven't caught up in a quite a while. I would love to grab a cup of something with you when you get a chance. I can tell you all about why I went "missing in action" for a while... .

In the meantime, the LWG folks asked me to follow-up with you on a question that has come up pertaining to Rick Albright's ruling on the dispute resolution matter that he recently resolved.

In particular, I was asked to check to see if the list of documents that is included in his March 24 dispute decision is the complete list of documents that he relied upon in making his decision. Is it?

If not, could we obtain that list? What would be the best way of doing so?

Thanks
